

MATEŘSKÁ ŠKOLA - LIBINA
brána se vstupem a plotem

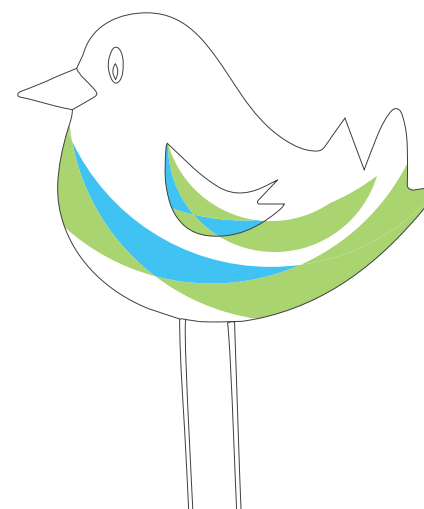

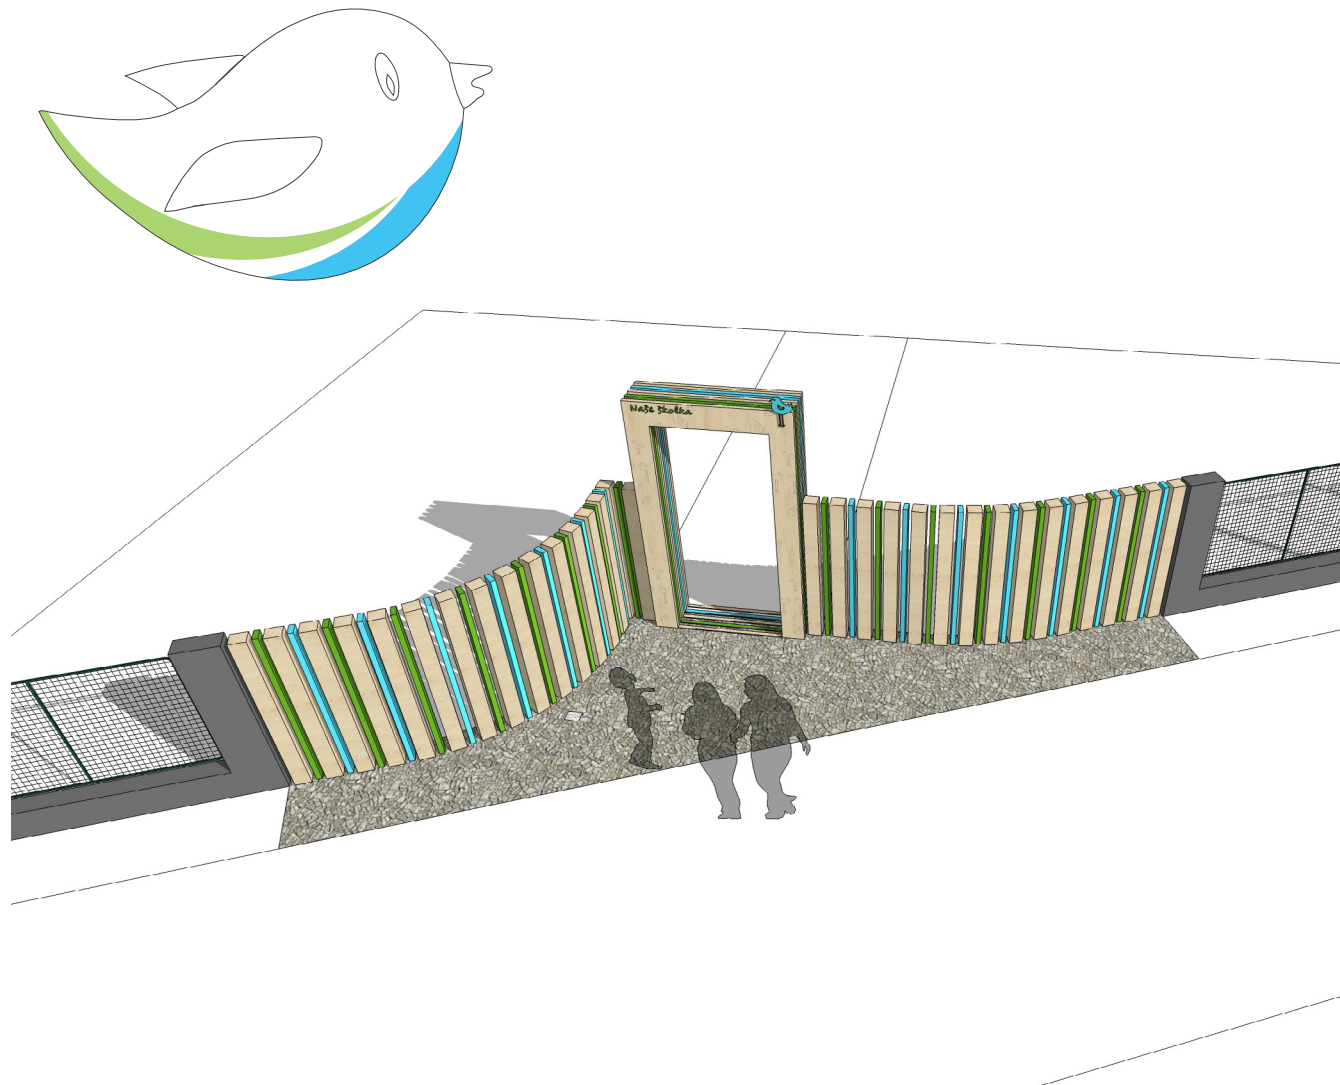

KONCEPT

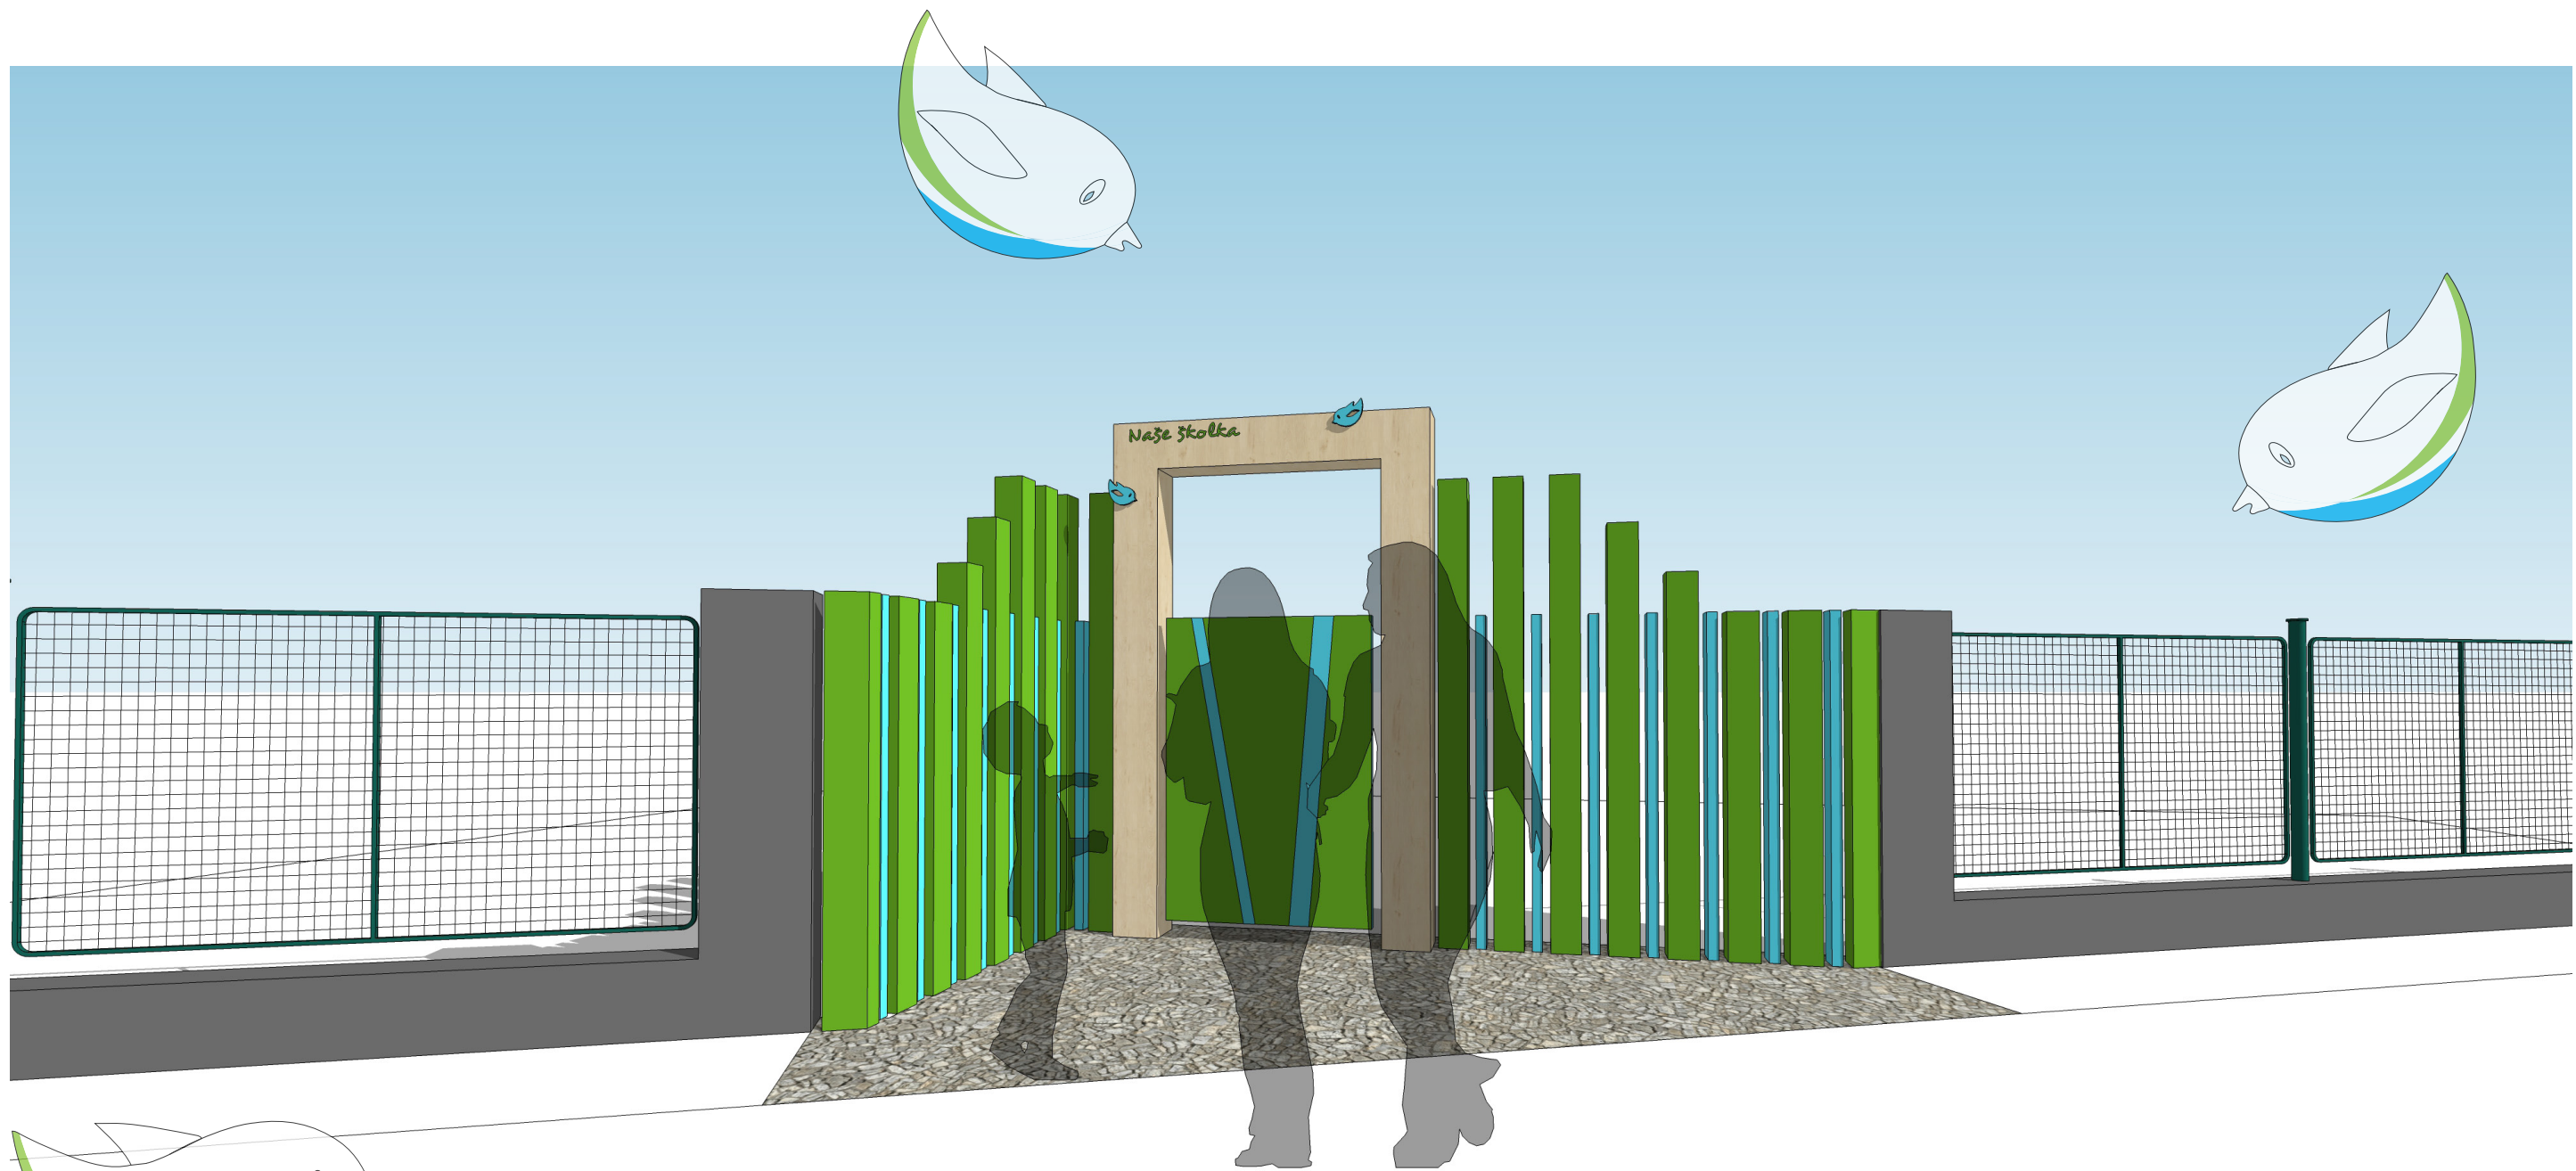

KONCEPT

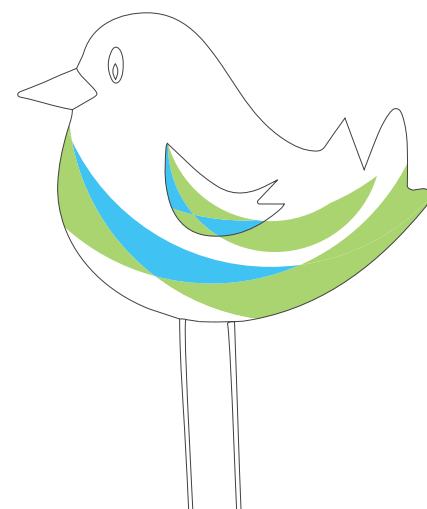

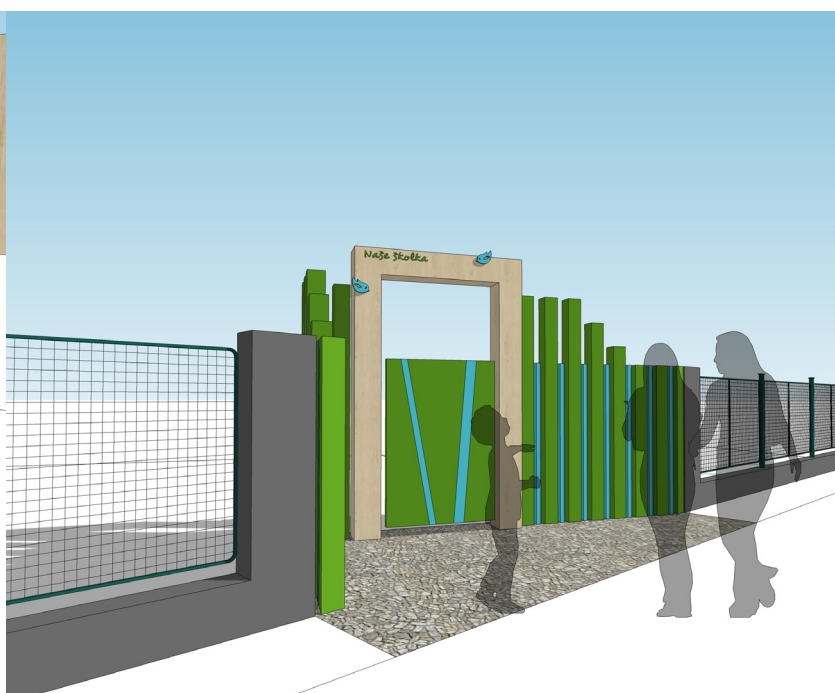

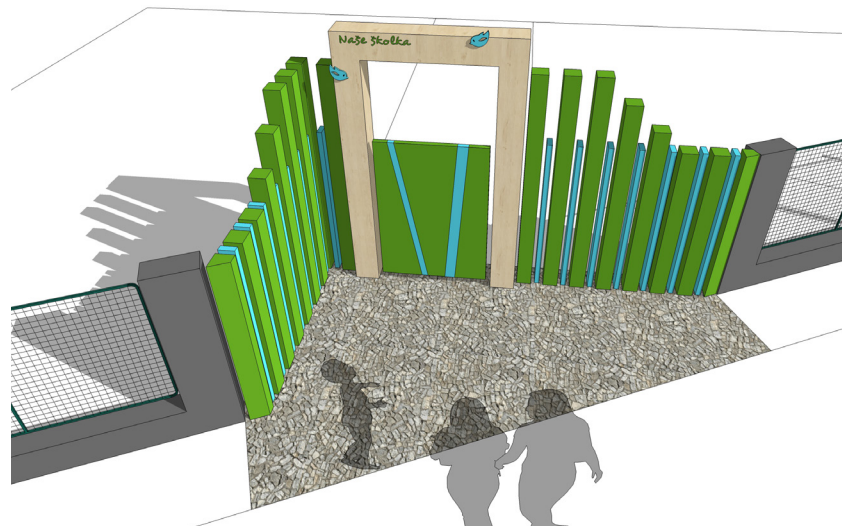

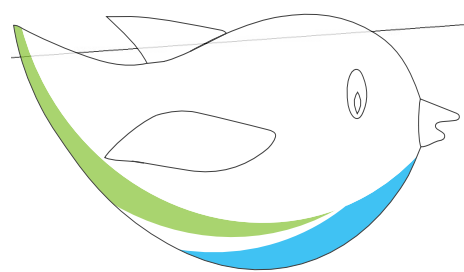

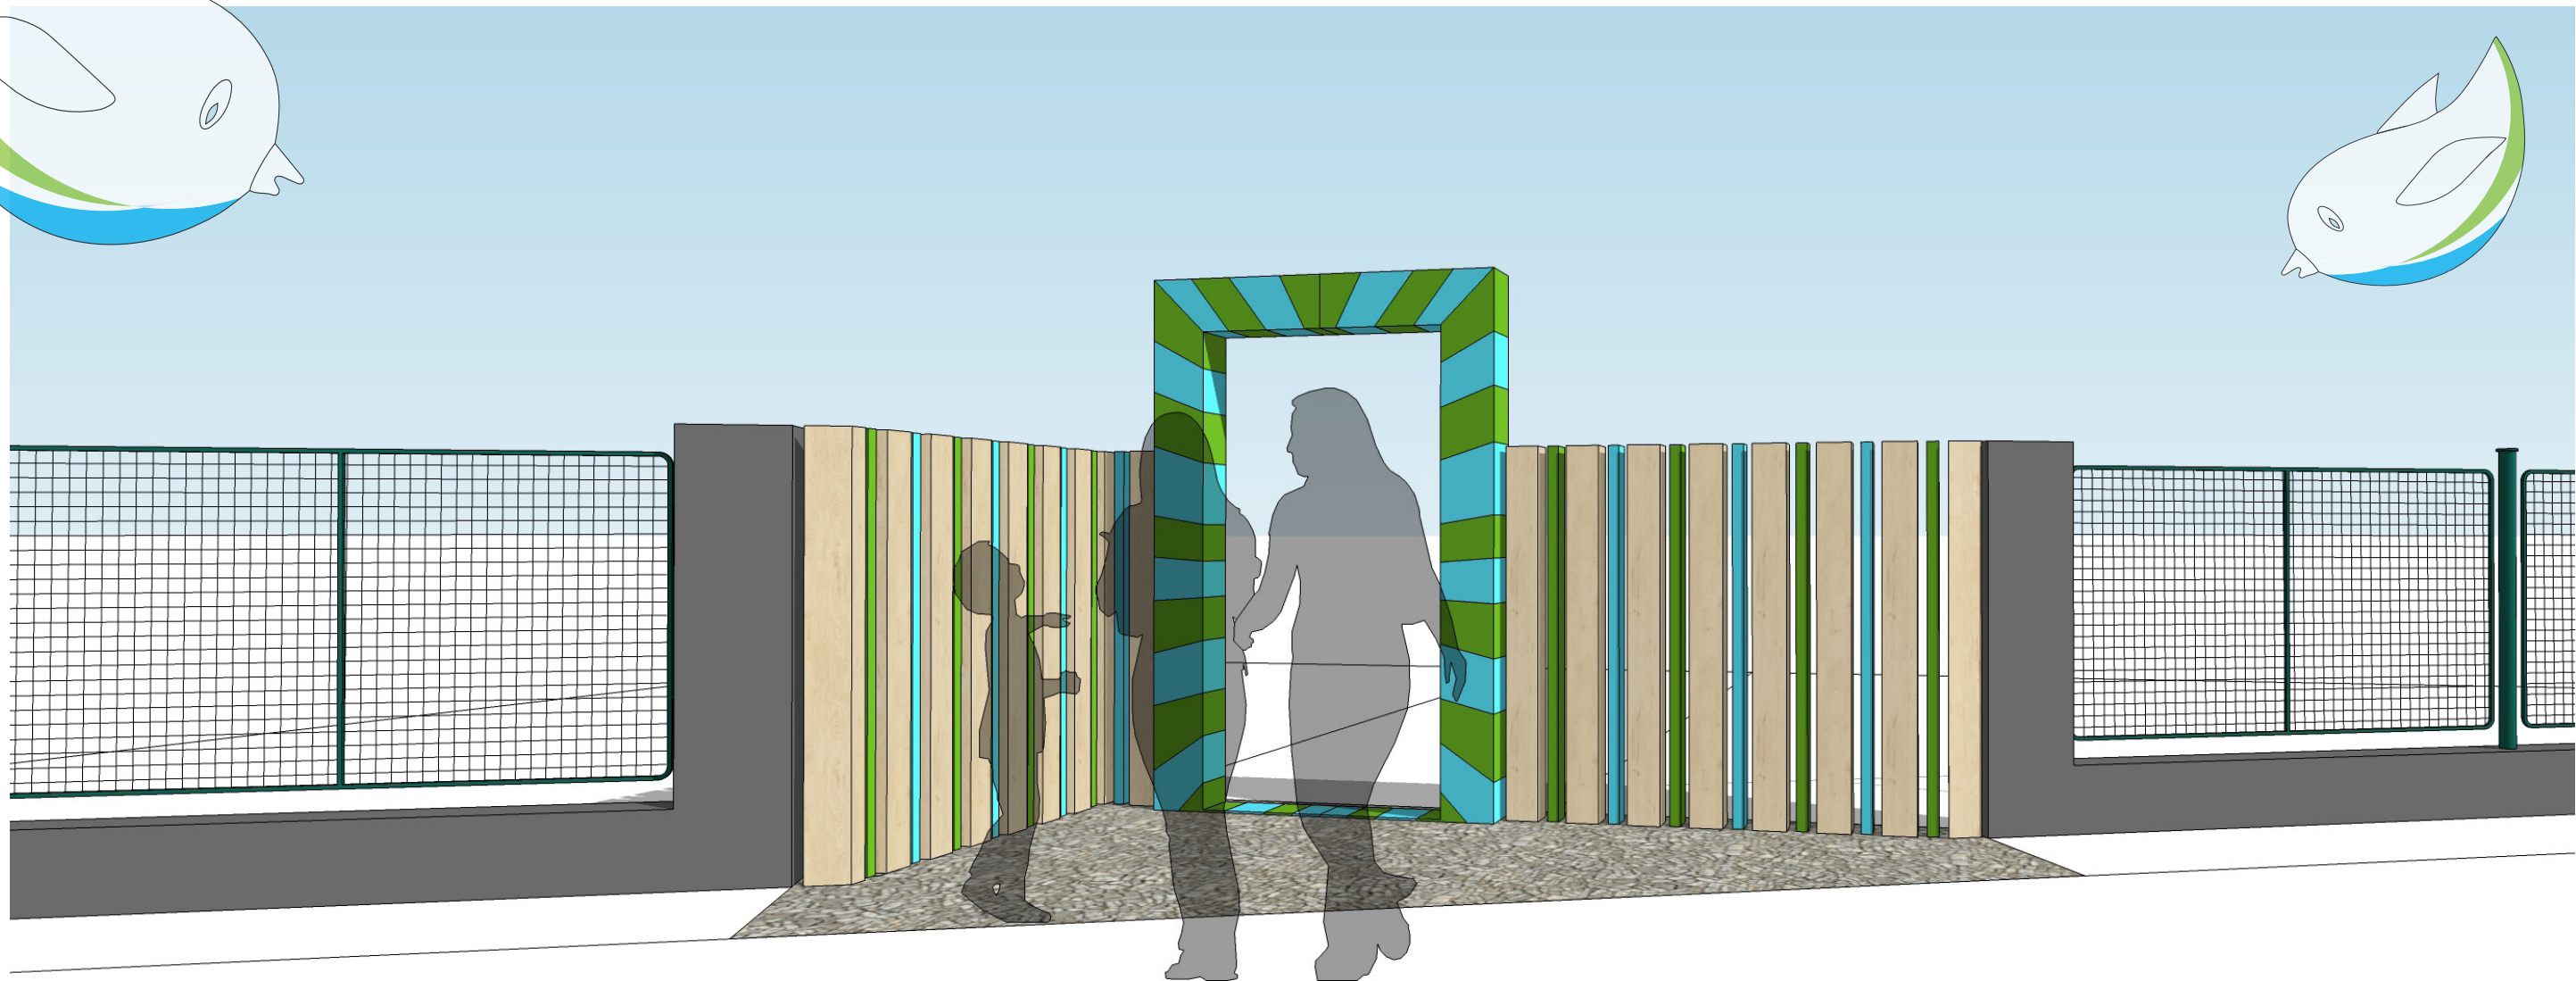

- repasování stávajícího plotu - oprava pletiva a betonové podezdívky
- vložení nového vstupu
- vstup je výrazně odlišný od zbytku plotu
- stylizovaný motiv brány do pohádky
- do konstrukce brány je možné a vhodné vložit osvětlení
- ustoupení vstupu a brány od hrany komunikace a vytvoření bezpečného předprostoru
- návaznost na stávající plot může být plynulá či ostrá
- dodržení barevnosti fasád budov MŠ
- použitým materiálem je převážně dřevo - příjemný teplý materiál
